THC Technologies Corp's VoiceVantage™ Biometrics Software Receives 2014 Best of Blacksburg Award

Blacksburg Award Program Honors the Achievement

BLACKSBURG August 7, 2014 – THC Technologies Corp's VoiceVantage™ Voice Biometrics Security Software has been selected for the 2014 Best of Blacksburg Award in the Business Development Service category by the Blacksburg Award Program.

Each year, the Blacksburg Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of business through service to their customers and our community. These exceptional companies help make the Blacksburg area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2014 Blacksburg Award Program focuses on quality. Winners are determined based on the information gathered both internally by the Blacksburg Award Program and data provided by third parties.

The Blacksburg Award Program is an annual awards program honoring the achievements and accomplishments of local businesses throughout the Blacksburg area. **Recognition is given to those companies that have shown the ability to use their best practices and implemented programs to generate competitive advantages and long-term value.**

The Blacksburg Award Program was established to recognize the best of local businesses in our community. Our organization works exclusively with local business owners, trade groups, professional associations and other business advertising and marketing groups. Our mission is to recognize the business community's contributions to the U.S. economy.
